Judging

Cars to be judged must be accessible to the judges, i.e. **unlocked with bonnet and boot up**, from the commencement of judging, at 10:00 am.

If a judge cannot easily get access to any part of the car, then it **WILL NOT** be judged. **Judges will not open bonnets or boots**. A car would not be competitive if it loses all points for one section of car (eg: bonnet closed), therefore it is pointless judging the rest of the vehicle.

If the car is the top point scorer in its class, it will require rejudging by our panel for the "Best Overall" trophy. This rejudging occurs just prior to the trophy presentation ceremony. If car is not in same position and not open it cannot be judged for the major trophy.

The Judges Will Be Asked to Check Four Areas on Each Vehicle.

1. Exterior:	Body: Dents, rippled or wavy panels, rust, under paint scratching, panel fit and alignment.
	Externals: Chrome, lights, wipers, wheels, caps and trims (mags, nuts and centerpieces), bumpers, grill, glass, mirrors and any modification or extras
	Paint: Gloss, dry spots, runs, chips and crazing etc.
2. Engine Bay:	General condition and cleanliness, paint and chrome condition, all hoses wiring, cooling system and all fixtures & fittings.
3. Interior & Trim:	Seats, carpets, floor mats, dash. Hood lining and door trims (looking for any blemishes inside the car)
4. Boot:	General condition of the boot area, spare wheel and everything displayed, check for any visible rust.

All vehicles are required to remain in the zone until 2.30pm.

This is due to OH&S requirements.
